Two Claimants of the Hand of Mrs. Prestin.

Herbert Prestin may lose his wife as a result of his imprisonment in Salt Lake and Weber counties on suspicion of being connected with the murder of Deputy Sheriff Seymour L. Clark. When he was liberated from the Weber county jail on Wednesday he found another claimant for the hand of his wife in the person of John Josephs of Ogden, who claims to have married the woman in this city several years ago. Herbert Prestin may lose his wife as

I was gradually getting worse until finally one time it came over me, and I asked myself what is the use of being sick all the time and buying medicine so that I could indulge

myself in coffee? 'So I thought I would see if I could quit drinking coffee and got some Pos-tum to help me quit. I made it strictly ecording to directions, and I want to tell you that change was the greatest step in my life. It was easy to quit coffee because I had the Postum, which like better than I like the old coffee.
